# Happy 75th Birthday Smokey Bear!

As a wildfire prevention specialist for 75 years, I raise public awareness about how human behavior can accidentally cause a wildfire. My goal is for humans to be aware of their actions and take personal responsibility to prevent wildfires.

**Smokey Bear**  
Wildfire Prevention Specialist  
Washington, DC 20252

(psst... Did you know only the President of the United States and I have our own ZIP codes? Pretty cool! Send me a letter anytime!)
