

United States Department of Agriculture

As a wildfire prevention specialist for 75 years, I raise public awareness about how human behavior can accidentally cause a wildfire. My goal is for humans to be aware of their actions and take personal responsibility to prevent wildfires.

Smokey Bear

Wildfire Prevention Specialist

Washington, DC 20252

(psst... Did you know only the President of the United States and I have our own ZIP codes? Pretty cool! Send me a letter anytime!)
