

It's a Gas!

National Science Education Standards* Addressed With This Monograph:

	IT'S A GAS!
Science as Inquiry	
Abilities necessary to do scientific inquiry	X
Understandings about scientific inquiry	X
Physical Science	
Properties of Matter	X
Transfer of Energy	X
Life Science	
Structure and Function in Living Systems	X
Populations and Ecosystems	X
Earth & Space Science	
Structure of the Earth System	X
Science and Technology	
Understandings About Science and Technology	X
Benefits and Consequences	X
Science in Personal & Social Perspective	
Personal Health	X
Natural Hazards	X
Risks and Benefits	X
History & nature of science	
Nature of science	X

* National Research Council, Content Standards, Grades 5-8.
